

MINAB PROTOCOL

For District Leaders

Use this when a district wants adoption logic, pilot boundaries, and governance steps.

Use this when:

- Do not scale before the pilot is reviewed.
- Use the district rollout kit to set governance and risk boundaries.
- Keep family communication, counselor capacity, and age-band review visible.

Quick links:

Start here: <https://lotdpsc.com/minab-protocol-start-here>

District rollout kit: <https://lotdpsc.com/minab-protocol-districts>

School pilot kit: <https://lotdpsc.com/minab-protocol-schools>

District rule: pilot first, review the evidence, then decide whether to expand.
