# Bring The Minab Protocol

A classroom-ready doorway into the public protocol and its human-first support materials.

- Start with the 30-second summary.
- Use the school pilot kit before classroom use.
- Keep the source ledger and family-facing materials visible.

Scan to read, share, and teach the protocol.

# Put This On The Wall

A fast, public invitation for events, teach-ins, briefings, and newsroom meetings.

- Point people to Start Here first.
- Share the press room and source ledger.
- Carry the posters, flyers, and share links into the room.

Scan to read, share, and teach the protocol.

# Hard To Miss. Easy To

A public-facing poster that routes people to the protocol, the evidence, and the share center.

- Read the protocol.
- Send it to one person.
- Mirror the work and keep the provenance attached.

Scan to read, share, and teach the protocol.
